

ALLEGATIONS OF FACTS

The following allegations of facts are submitted in support of this application:

The [redacted] received a complaint on [redacted] regarding a dog abandoned in a mobile home.

On [redacted] at 1:20 pm your department and [redacted] went as representatives of the [redacted] to the property to investigate the complaint. At that time we observed an older looking black dog in the trailer. There was no obvious indication that any one had been in the property in a while. Our tire tracks were the only ones in the driveway and our foot prints were the only ones there. At that time your department placed a yellow card in the door announcing we had been there. It was placed in such a spot so that if the door had been opened the card would have fallen out.

On [redacted] at 10:40 am we returned to the property and observed that the card was still there and so was the dog. I believe that it is reasonable to assume that this dog has been abandoned and should be removed from the premises.
