state the following: dog lady outside all the time on a chain. The dog has ear mites, but [REDACTED] has not taken it to a veterinarian. Both of the dogs bark all night and [REDACTED] has not taken care of this problem. The house also has no running water inside. The cats also enter and exit the house through a hole in the bathroom floor. [REDACTED] also does not feed his animals enough and I often have to give them food. I contacted the dog warden [REDACTED] who advised me to call the State Police. I have talked to [REDACTED] about these problems, but he has refused to do anything about it. The conditions at [REDACTED] house is very unsanitary for the neighbors close by and I would like to see appropriate action taken.
