

Happy Holidays & Thank You for Your Support!

The already appreciate you being there during these stressful years because of the COVID-19. Without you, we could not help animals in all the ways we do.

Though we are not a money organization, we depend upon the generosity of others to do our work. The more the more we can help, really help to our friends.

Every week for a shelter here.

NYSPA's volunteer needs a little help and is available here to help you in your own way. For the full list of services, the volunteer board members are the best source. They are available to help you with the registration process, the application process, the interview process, and the training process. They are also available to help you with the ongoing needs of the shelter. They are also available to help you with the ongoing needs of the shelter. They are also available to help you with the ongoing needs of the shelter.

The volunteer board is here to help you and offer assistance here in the shelter and in the community. They are also available to help you with the ongoing needs of the shelter.
